GUESTS: Why a guest fee? Excess people, including infants cause strains on restrooms, pools, activity programs, and other facilities which cause extra utility charges and expenditures. Who pays for this? You the camper? No, the user, the visitor. Please be advised that all visitors are charged a fee for their use of the facilities. Visitors must register in the office and obtain a hanging tag (good for 1 time park entry). Please advise your guests of the guest fee. If you would like to pay in advance for your guests, you may do so at the office. Guests are not permitted to bring pets. Your guests are your responsibility.

EXPRESS CHECK-IN: Available for guests paid in full at least 1 week prior to arrival, from 2pm to 8pm on Fridays, Saturdays & Sundays in the summer (July & August), as well as Memorial Day & Labor Day Weekends. Receive check-in packet from security and go right in! Come back within 2 hours to complete your registration. Sorry, not available for rental units. Call for more information.

BICYCLES: NJ state law requires that children under 17 years of age wear a helmet while riding a bicycle. Bicycle riding after sunset is permitted only if bike has a front light & rear reflectors.

SITE REQUESTS: Although we do our very best to accommodate your site requests, we cannot guarantee a specific site. A reservation guarantees a site, not a specific site. We do not guarantee two or more sites together. You will be given your site number upon arrival. Please understand that many factors are considered in assigning sites, size of unit, most notably date reservation was made, duration of stay (preference given to stays of 7 nights or longer), and desire to keep multi-site reservations together - **NOT YOUR TIME OF ARRIVAL.** Although site assignments may occasionally be subject to change in the event of unforeseen circumstances, those arriving early should not expect park staff to relocate another camper's site assignment simply because that camper has not yet arrived. We reserve the right to substitute campsites.

DOGS & OTHER PETS: Positively no pets allowed in rental units or on rental sites. Sorry, if you are renting you will need to leave your pet at home. Guests camping on sites are limited to 1 pet over 18 lbs., or 2 pets under 18 lbs. each. Barking & vicious dogs and exotic pets are not permitted. Dogs must be on a short leash and under the owner's control at all times. Owners must clean up after their pet. We (meaning you) practice the stop, plop, and scoop method. See map for dog walk & parks locations. Extra bags available in the office. Pets must not be left alone at the campsite at any time. These rules also apply when your children are in charge of your pet, so they may require more supervision than usual. Pets prohibited from using pools, lakes, and beach. No pets permitted in campground store or other campground buildings including rental units. Guests are not permitted to bring pets.

TENTS:

Tents are permitted on VIP EW & VIP EWS sites in our horseshoe section only. Sorry, no sleeping tents permitted in our ULTRA VIP EWS section. (Kitchen/dining tents are permitted on concrete pad only. These dining tents are not to be used for sleeping or storage.) Sorry, tents, kitchen tents, gazebos, or other camping equipment are not permitted on RENTAL UNIT SITES.
